“Everything Except Temptation” is a family play about ‘the beauty of sin’! First written in 2007, it was based on an idea of C.S.Lewis in his book “The Screwtape Letters”, and features ‘Uncle Stanley’ and some very shifty characters, trying to teach his nephew, Spencer and a nameless apprentice the art of temptation and how to get the victims away from ‘;The Enemy’ to ‘Our Father Below’! Some very well known figures appear and the production is dedicated to the last three Dominican sisters to have worked among us, Srs.Aidan, Louis and Cornelia. Tickets are £4 for adults and £3 concessions and all the proceeds will be donated to Lawrence House. Do please come along with your families and encourage others to come as well. It’s cheaper than the panto!

A Blessed Christmas and Happy New Year to everyone
